

**3rd Information and discussion meeting
for PhD students of the Institute of Physics**

Dear PhD students of the Institute of Physics,

Succeeding the two discussion meetings during the past year, I would like to invite you all to join our

3rd Information and discussion meeting

on PhD students` life and working conditions at the Institute of Physics (and at associated institutes).

Besides long-standing issues like teaching duties, PhD dissertations, and other pitfalls there will be opportunity to address all kind of problems that occurred to you during your dissertation so far.

The Dean of Studies Prof. G. Reiter, as well as the Administration of the Institute of Physics represented by Dr. H. Dummin and B. Seger and your PhD representatives will attend.

The meeting, including refreshments, is scheduled for

Tuesday, 25. November 2014, 17:00 – 19:00,
in the Grosser Physikalischer Hörsaal.

I would very much appreciate your attendance and input,

With my best regards,
